International General Trading,
Sourcing and Supply Services
based out of the Middle East.

About Us

At Revo Trading, we're a focused distribution enterprise driven by a clear vision. With extensive expertise in distribution standards, our commitment lies in sustaining efficiency, effectiveness, and continuous growth. Our efforts not only empower our clients to optimize their objectives but also fuel our own advancement. We prioritize collaborative partnerships, striving for mutual benefits and shared success. As a premier firm dedicated to client satisfaction, our services are marked by effectiveness, efficiency, goal orientation, ethics, and adaptability.

Our Mission

To provide International general trading, sourcing & supply services, and achieve maximum customer loyalty, thereby creating space to grow business in a socially responsible and ethical manner. We leverage our experience and market intelligence to secure the best deals and partnerships from across the world. Highly talented and dedicated staff members are our cornerstones. We aim to create a future based on quality, transparency and honesty in the trade sector.

Our Vision

Our goal is to become the top trade company in the Middle East and Africa, offering a comprehensive range of quality goods and services. We are committed to being the ultimate destination for all your needs. With a strong vision driving us, we aim to excel in sourcing and delivering exceptional products, accompanied by unparalleled customer service.

Building Materials

Revo Trading is your go-to distributor for top-quality building materials and essentials. We specialize in providing a comprehensive range of products, including plumbing fixtures, pumps, valves, meters, drain systems, and much more. With a commitment to excellence, we ensure that every product meets the highest standards of quality and reliability.

Whether you're a contractor, builder, or homeowner, we have everything you need to complete your projects with confidence. Our expert and knowledgeable team partners with well-known manufacturers to ensure the best quality products. From essential plumbing components to precision-engineered valves and meters, our diverse inventory caters to a wide range of applications and requirements.
